

# Upper Dublin Monthly Meeting

June, 2021

## SoLow Fest is coming to Upper Dublin Meetinghouse on June 18th!

**"Friend, No One's Funding This"** - Created by our very own Julia B and Tyler B, this performance is part Quaker Worship Sharing, part Meme Campaign, part Expressive Dance experience brought to you through SoLow Fest. "Somehow performing is a part of me...pushing it out onto the market is killing my spirit all the while... and yet it is my spirit all the while". This gathering among F/friends examines questions around burnout and what it means to be an artist. Drawing on Quaker values we ask how to build an art practice in peace. How can we make an art practice that isn't damaging to ourselves? This program will be outdoors and will be implementing social distancing. Bring your own chair and water. The meetinghouse will be open for tours. Performance at 7PM. Keep an eye out for more details on the "Events" page on the website: [www.UpperDublinQuakers.org](http://www.UpperDublinQuakers.org).

Reminder: We continue to meet in Zoom on Tues & Thurs @7PM, and Sun @ 10AM for M4W. Email us at [UpperDublinQuakers@gmail.com](mailto:UpperDublinQuakers@gmail.com) for the Meeting ID and link.

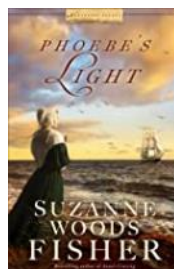

## RESUMING UNPLUG & RECHARGE

We have SOOO missed worshipping in person, at the meetinghouse. While we still aren't officially returning to onsite worship, we are resuming the collaborative Unplug & Recharge with our Friends at Byberry. The 2nd Thursday worship each month for the next several months will be our outdoor (BYOD (bring your own dinner)) worship. We expect to be utilizing Zoom, as well. So even if you can't join us in person, join us in Zoom. June will be hosted by Upper Dublin, but July and Sept will (likely) be at Byberry. Email us for details.

## ZOOM BOOK CLUB

With minor reservation (think Harlequin Romance) we selected "Phoebe's Light". Turns out, concern was unwarranted. Yes, it is a bit of a beach read but it is also a murder-mystery and continues to provide the context of 1600s Nantucket Quakers. Join us on **June 14th at 7PM** for the discussion. Email us for the Zoom Link.

## Quaker Corner / Adult Discussion

### The Sixth Query: Nurturing Our Community: Stewardship of Resources

#### Our Meeting:

- How does our meeting accommodate ecological, economic and social justice in its uses of property, money?
- Does our meeting engage its members in supporting the meeting's work, its ministry and property upkeep?
- Does our meeting encourage members to support, with time, energy and finances, the quarterly and yearly meetings and other Quaker organizations?
- To what extent does our meeting rely on current members and attenders for financial support and to what extent on other sources?

#### Personally:

- How do I demonstrate in my own decision making a concern for ecological, economic and social justice?
- How do I simplify my needs, making choices that balance self-sufficiency and fair sharing of resources?
- Do I balance my work-life and other activities with time and energy needed for my spiritual growth and service?
- Do I contribute to the work of Friends in my meeting, in the quarterly and yearly meetings and in the wider world of Friends?
