

Upper Dublin Monthly Meeting

October, 2021

What A Month It Was...

We initially put up the "Together We are Stronger" banner as a thank you to the health care professionals and other First Responders (with the start of Covid). Now, the same message applies to all of those who have worked tirelessly to get UD Twp. and all the residents back into their homes; yards cleaned-up; safely driving around town; food back on the shelves again; many classes back in session. None of us will forget the impact of Ida, although we (ALMOST) couldn't have been more fortunate, sustaining almost no damage to the meetinghouse, but we are facing many (tens of) thousands of dollars (\$\$\$\$) of tree clean-up from the tornado. We are looking at some grants and sources of funding for this tree work and massive clean-up (and have set-up a donation page on our website), should you wish to help us recover from this completely unexpected (and not budgeted) disaster.

**The Tenth Query
Witnessing in the World:
Ministry of Outreach**

In Our Meeting:

- How does our meeting communicate Friends presence and principles to the wider community?
- How does our meeting join with other faith communities in worship, in spiritual dialogue and in social action?
- What are we doing to invite persons to attend our meetings for worship, to welcome them when they come, to listen sensitively to their needs and hesitations and to encourage their continued attendance?

Personally:

- How do I share my spiritual life and experience with others?
- Does my life as a Friend attract others to our religious society?
- What opportunities have I taken to worship with people from other religious and cultural backgrounds and work with them on common concerns?

AQ Quarterly (10/03)
